件名：Expiration Notice

内容：

Dear User,

This message is to inform you that your access to your library account will soon expire. You will have to login to your account to continue to have access to the library services.

You need to reactivate it just by logging in through the following URL. A successful login will activate your account and you will be redirected to your library profile.

<http://xxxxxxxxxxxxxxxx> ←九大のウェブサイトへのリンクに見せかけた URL

If you are not able to login, please contact xxxxxxxxxxxxxxxx for immediate assistance.

Warnings about Suspicious e-Mails

We would like to notify you that you may receive suspicious e-mails which are camouflaged by Kyushu University Library.

When you find a suspicious e-mail, please DO NOT click on the URL in the e-mail. The e-mail should be deleted immediately.

If you input your ID and password by mistake, please change current password immediately.

If you share the password with the other ID, please change all of the password. In addition, please refer to the virus check.

An example of the suspicious e-mail is as follows:

Dear User,

This message is to inform you that your access to your library account will soon expire. You will have to login to your account to continue to have access to the library services.

You need to reactivate it just by logging in through the following URL. A successful login will activate your account and you will be redirected to your library profile.
